

Clean up to 99,9% free of bacteria

Wecoline Clean 'n Easy Superior Single Use Micro fibre. Hygienic and clean using just water.

Independent tests by microbiological laboratories show that in just one action a reduction of up to 99,9% MRSA and Clostridium Difficile bacteria can be realised.
Without the use of disinfecting or cleaning materials.

- > *Always clean materials*
- > *Reducing risk of cross-contamination*
- > *Saves time*
- > *No logistic processes*
